

The "Cottleville Old Town Historic District" offers a vibrant mix of unique shopping, dining, and entertainment experiences. Nestled within the charm of historic buildings, visitors can explore locally-owned boutiques, specialty shops, and service businesses that reflect the district's rich heritage. The area is also home to a variety of dining and drinking establishments, ranging from cozy cafes to lively bars and restaurants, offering a diverse range of cuisine and craft beverages. With frequent live music, events, and entertainment venues, the Old Town Historic District is the perfect destination for a day out or a relaxing evening with friends, all while enjoying the historical character of Cottleville.

Welcome

Parking

Cottleville is a growing, dynamic, golf cart friendly city that reflects the enthusiasm of its young people, vitality of its families, and the wisdom of its seniors. We also cherish tradition & values, while embracing an optimistic vision of the future. Cottleville is a walkable community also offering bike racks, golf cart parking, and street parking.

Legacy Park is a community hub that features Vantage Lake and Harmony Lake, adding to the park's scenic beauty. The park also includes a variety of recreational amenities such as sand volleyball and basketball courts, dog parks, and a large playground. Legacy Park is notable for its all-inclusive swing, designed for both children and adults with disabilities, and its historic log cabin, offering a glimpse into Cottleville's past. The Cottleville-Weldon Spring Rotary Club Amphitheater is another key feature, hosting live music and events in an open-air setting.

Hansen Park, though smaller, is home to McAuley Playground and an adjacent pavilion, perfect for gatherings and celebrations. Its intimate, family-friendly setting makes it a local favorite for picnics and outdoor fun.

In Scott A. Lewis Park, the focal point is

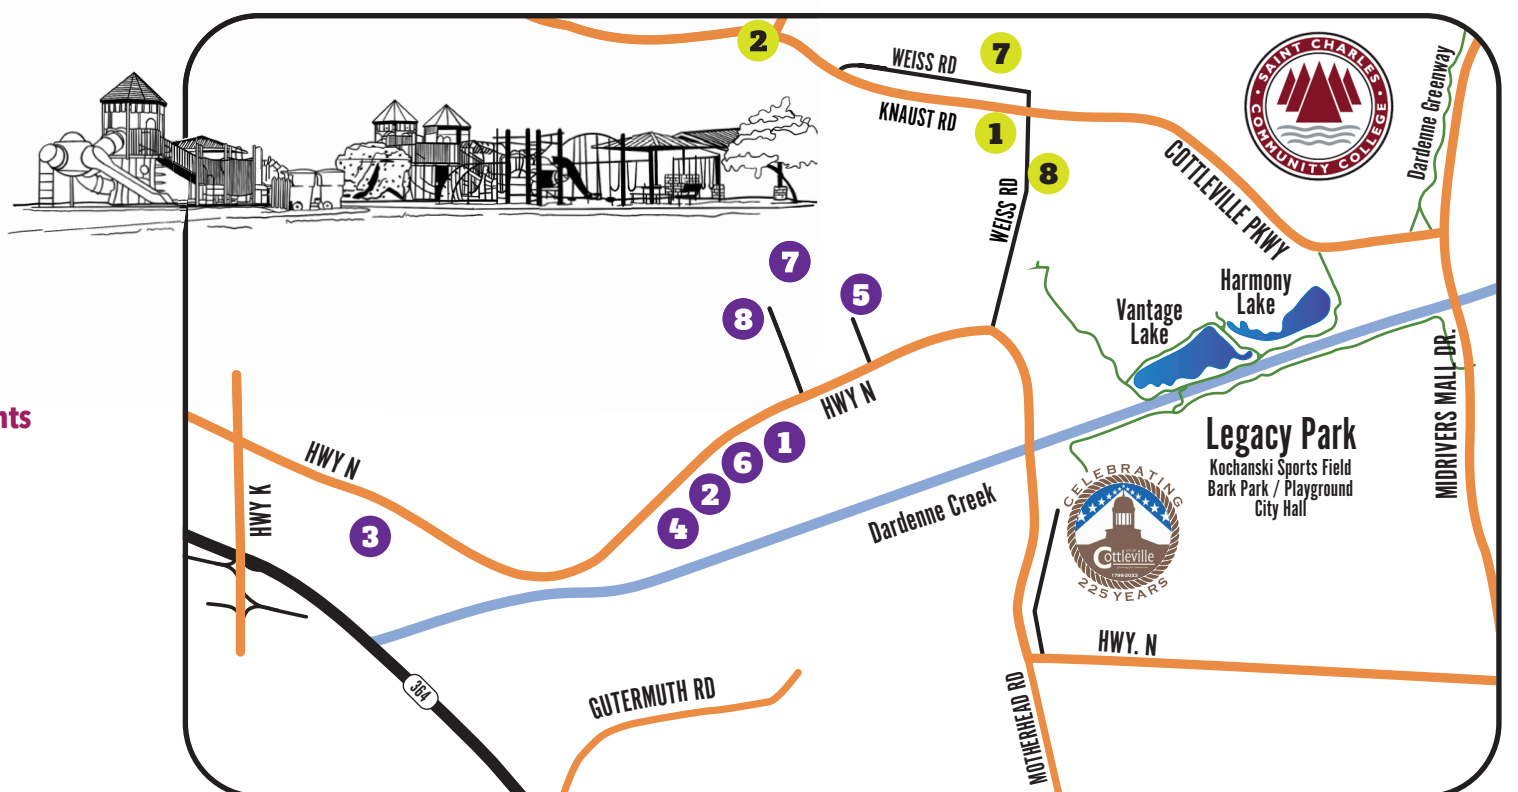

Buchheit Lake, a 20-plus acre lake where visitors can enjoy the scenic trails and rent kayaks for a day on the water. The park also offers a large pavilion, a playground, and walking trails that wind through the surrounding landscape.

The Dardenne Greenway, a beautiful trail system, runs along Dardenne Creek and intersects the City of Cottleville, providing easy access to the city's parks and natural spaces. This greenway encourages outdoor recreation while connecting many of Cottleville's key parks, making it an ideal path for walkers, cyclists, and nature enthusiasts.

Cottleville's blend of nature, recreation, and community spaces ensures a fulfilling and active lifestyle for all of its residents.
